MESSAGE

Teachers are true nation-builders. The teachers give guidance to our children, mould their character and prepare them to face the real challenges in the society. On this auspicious day, pay tribute to Dr.Sarvepalli Radhakrishnan on whose Birthday "Teachers Day" is being celebrated on 5th September every year. In Sanskrit the teachers importance is mentioned as

**"Guru Brahma, Guru Vishnu, Gurudevo Mahaeshwarah,
Guru Sakshat Parabrahma, Taismaisree Gurave Namah."**

On this occasion, I wish all teaching community to guide the students with dedication and build the future of this nation by giving continuous knowledge and wisdom to the students.
